**Rock Legend Blues Traveler Comes To Crystal Lake**

On **Sunday, August 21 at 8:00 pm** rock legend and Grammy-Award winner Blues Traveler will take stage **Raue Center's** intimate stage for a one of a kind performance!

It's not every band that's still staking out new musical territory and embracing fresh challenges more than 24 years into their careers, but that's the case with Blues Traveler. Having long ago graduated from the jam-band underground to mainstream stardom, the iconoclastic combo has consistently stuck to its guns and played by its own rules.

For their latest release (and Verve Forecast debut) *North Hollywood Shootout*, the quintet ventured out of their creative comfort zone to explore some adventurous new horizons. The resulting album is a landmark in Blues Traveler's large and widely loved body of work, demonstrating the enduring strengths of the band's songwriting while capturing the spontaneous spirit of their legendary live shows.

Sponsored by McHenry County Living Magazine, Advocate Good Shepherd Hospital, Market Financial Group, and Georgio's Chicago Pizzeria and Pub. Tickets are \$58, \$55, and \$52 and can be purchased online at [RAUECENTER.ORG](http://RAUECENTER.ORG) or via the Box Office at 815.356.9212 or 26 N. Williams Street in downtown Crystal Lake.
