

SAFETY PROTOCOLS

During our in-person weeks at Raue Center, students will be masked at all times while rehearsing and performing—masks for the performance will be provided. We will also be taking temperatures upon arrival, cleaning and sanitizing frequently, and following all necessary social distancing protocols while rehearsing and filming the showcases. Please do not attend in-person rehearsals if you or someone in your household is exposed to COVID-19. We take the safety and health of our students and staff very seriously, and you will be asked to review and follow all COVID-19 safety procedures while in our space—these will be available for your review when you register.
